

1

Transparent and overlapping circles in pastel colors grow to fill the screen.

2

3

Add shape of Oakwood logo

4

Becomes Oakwood logo

5

Logo pans to left and the event theme text "Strength in Numbers" follows as same pace.

6

Text lands into place as red brackets move in from the sides.

7

8

A new set of circles animates to fill the background.

9

Text moves in from right edge.

10

11

The "50" in the text line moves away as the remaining text fades, reduces, and shifts out of focus. At the same time, a new text line is coming in from the right.

12

The "fifty" lands to align with the new text line.

13

The "23,000" from the formula moves away to meet a second line of text coming in from the bottom. At the same time, red brackets are moving in from both sides.

14

15

The same effect happens with "4,000."

16

17

All text moves away or fades as a scroll of photos within brackets moves in from the right.

18

19

20

21

The Oakwood logo shrinks down to the corner as the theme graphic zooms up, and the red brackets move in from the sides.

22

23

Once again, a new arrangement of circles blooms to fill the background.

24

Text moves in from the right.

25

26

"Service" leaves the line of text to join a formula coming in from the right.

27

28

29

A new formula.

30

31

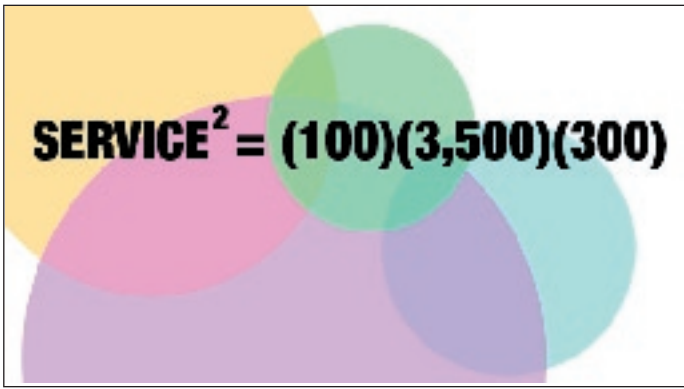

32

A new formula.

33

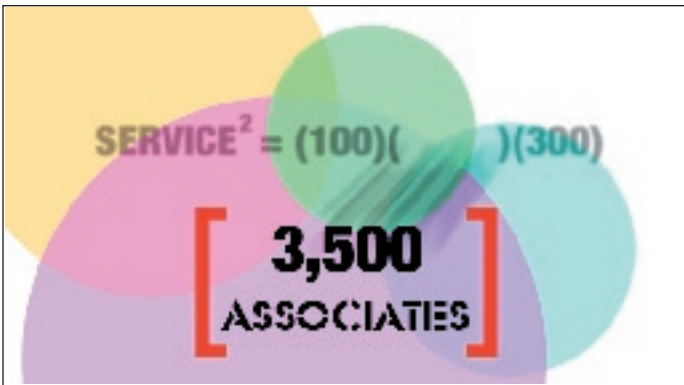

$$\text{SERVICE}^2 = (100)(3,500)(300)$$

34

$$\text{SERVICE}^2 = (\quad)(3,500)(300)$$
